AUTONOMOUS INSTITUTION

LEARN. ENGAGE. GROW.
A LAUNCHPAD FOR THE FUTURE

ADMISSIONS BROCHURE
2026–2029

BE THERE. WHERE AMBITION MEETS OPPORTUNITY

A future-focused institution shaping engineers, innovators, and leaders for tomorrow.

At VNRVJiet, education is designed to inspire possibilities.

For over three decades, the institution has empowered students with academic excellence, innovation-driven learning, industry exposure, and a culture that encourages students to dream bigger.

The campus blends technology, creativity, leadership, and experiential learning to create confident professionals prepared for the evolving global landscape.

Here, students do not simply earn degrees — they discover potential, build confidence, and shape meaningful futures.

WHY STUDENTS CHOOSE VNRVJTIET

- NAAC A++ grade accredited
- QS I-GAUGE “Diamond” Rating
- AICTE-CII “Platinum” Rating
- 500+ faculty
- JNTUH & AICTE recognized Research Centres
- 170 Academic & Research Labs
- 50+ Student Clubs & Societies
- 60+ Startups incubated
- Seed Fund for Student Startups
- 50+ Patents Granted
- 430 Patents Published
- 07 Trademarks Patents
- 25 Design Patents
- 3300 Research Publications
- 150+ research project funded externally worth ₹23 cr
- 20+ International Collaborations
- 75+ Collaborations with Academia, Industry, and Research Organisations

OUR PROGRAMMES

VNRVJIET offers a diverse range of undergraduate and postgraduate programmes focused on academic excellence and future technologies. The Programmes are designed to equip students with:

B. Tech Programs

- Artificial Intelligence & Data Science
- Automobile Engineering
- Biotechnology
- Civil Engineering
- Computer Science and Business Systems
- Computer Science and Engineering
- CSE - Artificial Intelligence and Machine Learning
- CSE - Cyber Security
- CSE - Data Science
- CSE - Internet of Things
- Electronics Engineering (VLSI Design and Technology)
- Electrical and Electronics Engineering
- Electronics and Communication Engineering
- Electronics and Instrumentation Engineering
- Information Technology
- Mechanical Engineering
- Robotics & Artificial Intelligence

B.Tech. Minor Degree Programmes

- Artificial Intelligence and Machine Learning
- Business, Financial Services & Insurance (BFSI)
- Cyber Security
- Data Science
- Internet of Things
- Innovation & Entrepreneurship

**LEARN TODAY.
LEAD TOMORROW.**

2-Year M.Tech. Programmes (PG)

- Advanced Manufacturing Systems (ME)
- Artificial intelligence and data science (AIDS)
- CAD/CAM (ME)
- Computer Science & Engineering (CSE)
- Computer Networks & Information Security (IT)
- Data Science (DS)
- Embedded Systems (ECE)
- Electronics & Instrumentation Engineering (EIE)
- Geotechnical Engineering (CE)
- Structural Engineering (CE)
- Highway Engineering (CE)
- Power Electronics (EEE)
- Power Systems (EEE)
- Software Engineering (CSE)
- VLSI Systems Design (ECE)

2-Year MCA Programme (PG)

- Master of Computer Application

Ph.D. Programmes

- Civil Engineering
- Computer Science and Engineering
- Electronics and Communication Engineering
- Electrical and Electronics Engineering
- Mechanical Engineerin

RESEARCH & DEVELOPMENT

INNOVATION BEYOND CLASSROOMS

At VNRVJiet, research is not limited to laboratories — it is embedded into the student experience.

Students are encouraged to explore emerging technologies, solve real-world challenges, and participate in impactful research initiatives.

The institution promotes:

- Research-driven learning
- Innovation labs
- Interdisciplinary projects
- Patent and publication support
- Industry collaborations
- Startup incubation opportunities

From Artificial Intelligence and Robotics to Sustainable Technologies and Smart Systems, students gain exposure to the innovations shaping the future.

LIFE ON CAMPUS

A CAMPUS THAT INSPIRES EVERY VERSION OF YOU

An environment where students grow academically, creatively, socially, and personally. Life at VNRVJIET is vibrant, engaging, and transformative.

The campus creates opportunities for students to explore passions, build confidence, and develop leadership through experiences beyond academics.

From technical forums to cultural celebrations, every moment contributes to holistic growth.

EXTRA-CURRICULAR & CO-CURRICULAR ACTIVITIES

Students actively participate in:

- Technical clubs and coding communities
- Hackathons and innovation competitions
- Cultural festivals and creative events
- Sports and wellness activities
- Leadership forums
- Community outreach initiatives
- Entrepreneurship and startup activities

These experiences help students become confident, collaborative, and future-ready individuals.

“Great engineers are built inside and outside the classroom.”

PLACEMENTS

FROM CAMPUS TO CORPORATE SUCCESS.

2026 PLACEMENTS STATS*

- Total Offers – 1903
- 10 LPA & Above – 281 Offers
- Average CTC: 7.35 LPA
- Highest Package: 64 LPA (Atlassian)
- 6 LPA Offers: 875
- Companies Visited: 120+

OUR RECRUITERS

INTERNATIONAL STUDENTS

VNRVJiet welcomes international students seeking quality engineering education in a globally connected academic environment.

Eligibility Includes:

Supernumerary Quota Seats are available for applicants who are Foreign Nationals, Overseas Citizens of India (OCI), and Children of Indian Workers in Gulf Countries, providing them with opportunities to pursue their education.

Foreign Nationals:

- The student is a citizen of another country and has completed their education at abroad
- Proof: Passport and Visa documents of the student.

OCI

- The student is an OCI cardholder
- Proof: Passport and OCI card of the student

CIWG

- The student must have a parent who works in GCC countries with a valid Visa or Work Permit
- Proof: Visa/Work Permit/Residence Permit of the parent with a validity date applicable in the admission year.
